John Loewen Appointed as President of TelPay Inc.

The Board of Directors of TelPay are pleased to announce the appointment of John Loewen as the new President of TelPay Incorporated.

John has over 25 years of experience in the payroll and financial services industry. In 1973, he joined Comcheq Services Limited and served in various capacities, including President and CEO from 1984-1998. He left Comcheq to pursue politics. From 1999-2005, he successfully served in the Manitoba Legislature as the MLA for Fort Whyte.

Mr. Loewen is an active volunteer in the Winnipeg community. He has served as Chair of Economic Development Winnipeg, a council member of the Institute of Chartered Accountants of Manitoba and was a founding member of the Business Council of Manitoba. In addition, he has served as President of Big Brothers, Big Sisters of Winnipeg, along with the Manitoba Chamber Orchestra, and the United Way.

TelPay is Canada's leading independent electronic bill payment processor serving thousands of businesses and hundreds of financial institutions across the country with advanced bill payment software, online bill payment and banking modules and payment consolidation services.
